## Product Definitions

The product includes PDF versions of Appetizers and Main Dishes that teachers can browse and print or show on an overhead projector.

**Appetizers:** Short daily high-interest content that relates students' experiences to the lesson objective and puts students in a receptive frame of mind for learning.

**Main Dishes:** An enormous wealth of differentiated instructional strategies, proven to work with students' diverse backgrounds and learning styles. This breakthrough, vertically aligned curriculum engages students to think deeply and to construct their own meaning and knowledge.

## What is Gourmet Learning?

Built on the premise of differentiated instruction and backed by research, Gourmet provides the high interest "gourmet" content that gives teachers the explicit skills instruction to model and guide students to find their "zone of learning" and find the secret ingredient of their own intrinsic motivation.
