Additional Professional Development Topics Available at \$1250 Per Topic:

1. Ensuring grammar fluency for every student
2. Sentence Building and revision of student's extended writing
3. Creating framed drafts for remedial readers and writers
4. Five concrete revision strategies (includes vertical alignment)
5. Analytic scoring rubrics for three genres
6. A weekly process for creating daily writing prompts

*“One of our middle schools that practices Sentence Building faithfully saw 29% of their students exceed expectations on the state 8th-grade writing assessment. That percent is triple the state average.”*

**G. Boyd, Assistant Superintendent**

*“These critical-thinking writing strategies deepen students’ knowledge and embed it in long term memory. It provides an opportunity to work with the new material, not just hear in with the hope of recalling it on a unit test.”*

**N. Nelson, Middle School Math Teacher**
